Dear Class of 2022 Parents/Guardians,

During the afternoon session of Saturday's entrance exam the power went out at Central Campus so we had to dismiss the students. Students in the morning session completed the test and were NOT affected by the power outage.

The makeup session will be Saturday, Oct. 21 at 8:00 AM. The session will run from 8:00 to 11:30 AM. Transportation will be provided. Bus route information can be found at www.lths.org under Porter News. If you have a concern regarding the makeup testing date of Oct. 21 please call (815) 588-8250.

Sincerely,

Kerri Green
Central Campus Principal
