

Lockport *Colorguard*

The Lockport Township High School Colorguard is still looking for additional members for the 2018 fall marching band season. What is colorguard? Colorguard is a dance based activity at Lockport Township High School. Students of all ability levels (including no experience) learn dance/performance fundamentals from dance teachers and choreographers. Those fundamentals are then used to spin equipment (flags/rifles) and perform with the Marching Band in our highly competitive season. Students have the opportunity to perform in the amazing venues like the Illinois State University Hancock Stadium and the Lucas Oil Stadium in Indianapolis IN. The colorguard is a highly successful program recently a Winter Guard International World Finalist and a consistent State Finalist. Any 8th grade student interested in colorguard should contact John Collier Colorguard Director at lockportcolorguard@gmail.com.
