Will County's Community Action Agency

Will County Center for Community Concerns was established in 1987 to serve as the Community Action Agency for Will County. It is one of the 36 Community Action agencies which together serve the entire State of Illinois. Community Action's goal is to provide opportunities to enable low-income persons to become self-sufficient. We design and conduct both short and long term programs for the benefit of Will County's low-income citizens.

The services we provide to those in need would not be possible without the strong support of volunteers and donors. We count on your time and donations. The Will County Center for Community Concerns is a 501(c)(3) charitable organization.

We welcome your ideas in the development or expansion of programs and services. Please contact us at any time.

Community Partnerships Community Solutions

In 1984, Aunt Martha's joined two Joliet-based agencies in a federal program focused on street gangs. But Aunt Martha's was the first organization to address the urgent problems of gangs and unemployment in "the Hill" area of Joliet, on the city's east side. Aunt Martha's staff combed the streets, tackled the hard cases, and went places other agencies avoided.

Since that time, Aunt Martha's has continued to work in partnership with other organizations to address community needs and concerns. Through active involvement in the Joliet Alliance for Youth and the Local Area Networks (LANs), Aunt Martha's is able to provide a comprehensive approach to service.

Our commitment to community-based services has earned Aunt Martha's a reputation as a leading advocate for children, youth, and families. Aunt Martha's is perceived by the community as a place that won't let youth fail. Our commitment to doing whatever it takes to help youth and families is obvious.

Aunt Martha's provides a broad range of services to high-risk and underserved communities in Will and Grundy Counties. We work to meet the needs of today's youth and families. Partnering with others, we find the best solutions for children, youth, and families in Will and Grundy Counties.

Aunt Martha's in Will and Grundy Counties:

- Community-based services
- Building relationships with the community to meet the needs of at-risk youth
- Helping youth gain enough self-respect to avoid joining gangs and other negative behaviors
- Providing parents with the skills they need to help their children
- Giving youth and families a second chance
- And keeping communities safe

A Caring Community Resource for Children, Youth, and Families

"Aunt Martha's is viewed as a Godsend in this community. So many people are glad we're here. If you need something, people just know to call Aunt Martha's. And if we can't help them, we can refer them to someone who can."

An Aunt Martha's parenting educator who has resided in Joliet for 20-plus years.
