# UNITED WAY AND YOU: LIVING UNITED

## WHO ARE WE?

Together, through the United Way, the people of Will County generously provide financial support to 47 Will County not-for-profit organizations. Your United Way is governed by LOCAL volunteers, raises LOCAL dollars in LOCAL communities, and helps LOCAL residents. Anyone notice the key word here? No other organization in the county helps as many people as your United Way of Will County.

## IMPACT AREAS:

Through your donations in 2009 to the United Way of Will County, 47 local not-for-profit organizations:

- **Built neighborhood strength and safety**  
Last year, over 46,000 nights of safe shelter were provided to individuals and families; they also received case management support and training to help them avoid homelessness.
- **Bolstered the health and well-being of communities**  
Last year, over 41,000 people received medical, dental, health, and rehabilitative therapy services.
- **Strengthened families that reside here**  
Last year, individuals and families received over 20,000 hours of counseling that enhanced family units and led to greater happiness, health, and security.
- **Nurtured and supported our children and youth**  
Last year, over 170,000 children and youth participated in personal development and enrichment activities.

## WHOM DO WE HELP?

With financial contributions from the community, we are all helping and changing the lives of those who walk by us every day. Our research has shown that 1 in 4 Will County residents have utilized the services provided by one or more of our 47 Partner Agencies.
