**Freedom of Information Act Requests**

FOIA Requests may be delivered in person during normal business hours, mailed via US Mail or transmitted electronically via email or fax to the attention of the FOIA Officers listed at left.

With prior arrangement, FOIA requesters may view district records and documents during office hours. Go to <http://foia.ilattorneygeneral.net/Default.aspx> for additional FOIA guidance and information.

Although any written or electronic format is acceptable an easy-to-use downloadable FOIA request form is included on our website for your convenience.

A formal freedom of information act request is not always necessary for your general inquiries or information needs. Begin your search for answers with a phone call during regular business hours to the Superintendent, Andy Siegfried; Principal Jackie Hall; or one our secretaries.
